CODBO1P2 NOSTEAM "The dawn of the 21st century brings a new world order. A time of uncertainty and change, of growing tensions and increasing incidents. A fragile peace, kept by a United Nations with dwindling credibility." The United Nations is divided over potential new conflicts between the USA and Russia that resulted in the Russian Civil War. In the year 2050, a 19-year-old medic named Alex Mason embarks on a dangerous mission to discover why a top UN official was assassinated. On his way there, Alex stumbled onto a secret society called WOLF, a group of top UN officials that feel Russia has grown too powerful in the 21st Century and must be stopped. With the UN officials dead, Alex must now follow the clues to a dangerous place in time where a massive power struggle is occurring. He must help the WOLF organization keep control of the world.
