Emergency 4 Mod Installer

We're going to test this Emergency 4 Mod Installler to see if it works. If not, perhaps you should remove all mod-related files and folders from "C:\Users\USER\AppData\Local\GTA V" folder. In that folder, you should have a folder called "Saved Games" which is named "GTA V" if you use the GTA V.exe program. If "Saved Games" folder is missing, you need to create it, and rename "GTA V" folder to something else. Click here to learn more: The mod installer will install the Emergency 4 mod and you'll get a new folder called "Emergency4_Mod" in "C:\Users\USER\AppData\Local\GTA V" folder. Now press "CTRL + L" keys to open all files and folders in the "Saved Games" folder. There should be some modified files and folders in "Emergency4_Mod" folder. Remove the files and folders. Follow "Emergency4_Mod" folder to "modthesims3.info/demo/scripts/mods" folder. Copy "Emergency4.xml" to "mods" folder. Go to "mods" folder again. Select all of Emergency4 files, then right click and click on "Send to" to send them to the "Saved Games" folder. Copy "Emergency4.xml" to "mods" folder again. Select all of Emergency4 files. Go to "mods" folder again. Select all of Emergency4 files, then right click and click on "Send to" to send them to the "Saved Games" folder. Go back to "Emergency4_Mod" folder. Select all of Emergency4 files, then right click and click on "Rename" to rename them to "modthesims3.info/EMERGENCY4" "modthesims3.info/EMERGENCY4/modthesims3.info/EMERGENCY4_INT/modthesims3.info/EMERGENCY4_BOOTS/modthesims3.info/EMERGENCY4_MCTF/modthesims3.info/EMERGENCY4_DMG/modthesims3. f30f4ceada
