Category:Video game companies of ChinaThe Origins of The First Team Name The name that would be synonymous with Arsenal for the next 25 years was first conceived of in 1910 and was suggested by a boy who lived on the Railway Estate on the outskirts of Highbury. His name was Alan Frankhouser and he was Arsenal's first ever customer. Alan was the sole owner of a shop on the Railway Estate which had recently had their premises gutted by fire. Despite being a professional footballer by trade, Alan was now unemployed and struggling. The fire brigade were called out and Alan saw the opportunity to use his status as a player to help him recover some of his money. Alan had recently joined the football team that Arsenal were playing in that week and, during the course of the match, he spontaneously shouted 'Arsenal' to the players gathered at the end of the pitch. As far as he knew, the name was being used in the area and it was well liked. Immediately after the match Alan was approached by two Arsenal directors who were keen to know the origins of the name and when informed it was Alan's idea, they thanked him and asked if they could use it. Alan had been managing a revolution in football and Arsenal were now a far more profitable team. Under Herbert Chapman, Arsenal had achieved a regular place in the top three of the league. Their manager was the first to use the famous words 'Arsène Wenger' on the team sheet and so the club's name was born.Latest News Valentine's Day is just around the corner and it's time to bring out the love for your pet. It is often the case that when a new person enters the household that the resident pet becomes nervous, even to the point where they may

Download the file and unzip it. Do NOT Unzip an archived file. If you have downloaded a backup file, it should contain either a folder called '.' (' or ''. Open the GTAIV\Backup\Folder, and you will find the GTAIV folder, all the saves for the game (located in the Savedata folder), and the GTAIV.exe game file. If the file was downloaded as an.zip file, you can unzip it to get the GTAIV.exe file. If the file was downloaded as an archive (rar, 7zip, etc.), you will have to extract them in order to get the GTAIV.exe file. Note: The GTAIV.exe file may be corrupted and will not open. So, extract the archive. Gta 4 Original Files and GTA 4 Installation Files If you run GTA IV again, the game will run the same as it did when you first played it: you might have missed some missions, levels, characters, etc. But you can easily retrieve all this data: Right-click on GTAIV.exe, and hit Properties. In the Startup tab, make sure 'execute modified. You will need to play a few missions to activate the missions that you missed, which will mark them as starred in the mission list. Deleted Stored Versions Sometimes, the game will delete some of its stored data (like mission, levels, characters, etc.). But the data is still there, it is simply not stored anymore. This is because the game will need enough memory to handle the game. To retrieve this data, you can use the same procedure as for the saved data (see above). NOTE: The XMB (Xbox Game Menu) will only be displayed if the game is not deleted, so it's not always that easy to retrieve the data.
