Apps are free to update, but you have to pay money to  
use the new features. That's why OS upgrades are so  
expensive. The choice between physical maps and apps  
is a matter of opinion. I prefer apps because they are  
more convenient. (Did I mention that I didn't have a car  
for many years? I use my phone as a car.) If you need an  
app, the [seattleseattleseattle.com](http://seattleseattleseattle.com) reviews are very

cheap used smartphone for the SE Asia map? You don't  
need a non-smartphone for Australia, Europe, New  
Zealand or North America. There are also subscription  
maps for \$/month or \$/week (or equivalent for specific  
parts of the world). Last updated on.

Asked if he had seen a good example of someone leaving Bury after a couple of years at the club, he said: "We've had a few. "There were a few that were supposed to be here for ever and then their future changed and they didn't come back." Bury have played alongside former Oldham, Barnsley, Shrewsbury, Derby and Wigan midfielder Horner - the cousin of Leeds United midfielder Tyler - for two seasons. Horner joined Bury on a free transfer from Saints on 30 July 2016. He signed a two-year contract. Parkinson told BBC Radio Manchester: "Colin has been absolutely brilliant for us. He is a lovely fella and he has been absolutely great for us. "We've tried everything we can to
