Atelier Firis The Alchemist and the Mysterious Journey Update v1.0.0..Re: Lick + Aroma + Impact My son was always a huge fan of the sheer impact of Lick and Splash, and had a huge crush on Wrist, particularly the ones that had tanner hands. I think that is because they were the ones that hit him during the karate classes we did back then. His favorites were probably Lick and Wrist. As he has moved on to other classes and the arts of Aikido and Karate, he has not paid so much attention to these fragrances, although as you mentioned, smells are still a major part of his sense of himself. As far as his sense of smell, I would say that he has an amazing ability to distinguish smells. The other day he was getting into a car with me and he remarked that he didn't want the driver to smoke after the smoke alarm went off. The next day, he walked into his room and saw that his classmates brother had been smoking. He proceeded to ask why he was smoking in the room, and the brother replied that
