What's New In?

New: New Autodesk Subscription: You can subscribe to Autodesk Subscription using Pay Per Use with premium AutoCAD features. **New: Mobile Design:** In addition to adding functionality to CAD apps for iPhone, iPad, and Android, Autodesk Mobile Design now also works on desktop. See the new user interface for Mobile Design in the new Autodesk Catalog App. **New: SketchBook DrawingCloud:** The next generation of drawing software: Create, edit, and collaborate on any type of drawing in the cloud. Upload any type of content (textures, blocks, pictures, PDFs, 2D and 3D graphics) and access drawings in SketchBook from anywhere, on any device. **New: After Effects:** Create stunningly interactive animations and 3D graphics in After Effects. An intuitive workflow keeps you focused on what matters—the creation of stunning content. (video: 1:36 min.) **New: G Suite:** Create, collaborate, and connect with people around the world using Google's email, calendar, and productivity tools, such as Google Docs, Drive, and Sheets. AutoCAD and other products are seamlessly integrated with these solutions, making it easy to work across all devices with the same great experience. **Autodesk 360** Autodesk 360 is a content platform that provides customers with access to AutoCAD and other apps from a single account. You can get everything from building information modeling (BIM) and sheet metal design, to 3D visualization and rendering, to conceptual design, engineering, and manufacturing. Visit the Autodesk 360 website for more information. **Autodesk Gold Plus and Autodesk Silver Plus:** If you would like to upgrade to Autodesk Gold Plus and Autodesk Silver Plus, you can do so at any time. **New: Autodesk 360:** Take your 3D content into the cloud.

Access your projects from any device, regardless of where you are, through Autodesk 360. (video: 1:46 min.) New: BIM 360: Provide your project team with the most advanced BIM information available, making them more productive. (video: 1:54 min.) New: Project 360: Build, collaborate, and make your designs—from 2D to 3D—

System Requirements For AutoCAD:
