The Elden Ring Game (hereafter “the game”) is the newest fantasy action RPG developed by Craftsman Games (Koch Media Co. Ltd.), and is a unique story of the Lands Between. The world where the game is set is a beautiful land called the Lands Between, which is an unknown territory, beyond the frontiers of humanity. In the Lands Between, you will be led by the Elden Ring, a remnant of the ancient Elden empire, and be guided by the Elden Lords that have been resurrected. While traveling through the vast, mysterious lands of the Lands Between, you will delve into dungeons and meet challenging monsters and gain both experience and skills. While journeying in the vast worlds, you will have epic stories, tournaments, and rankings all set in a fun environment. INTERACTIONS WITH OTHERS: You can interact with other players directly and online, inviting them to travel together. You can voice chat, trade gold, and share achievements with others through the in-game System of Friends. An asynchronous online element allows you to feel the presence of others. IMPORTANT INFORMATION Starting September 10, 2016, we will be performing maintenance on the game's systems. During this maintenance period, we will be removing the game from the app store. Depending on your country, the period of time required for maintenance may vary, but it will be no more than 2-3 weeks. We apologize for the inconvenience, and we ask for your understanding and patience. Background Information: * A real-time multiplayer RPG in which you can travel with other players and experience a unique online and offline play world. * Provides unprecedented depth and realism through a full 3D modeling engine and a unique 3D touch-based input method, involving movements on tablet screens. * A story not only full of thrilling battles, but also of your own personal thoughts, developing over time based on the decisions you make. * In a world that changes each time you start the game, you can create your own character and quest in your own style. * World of the Elden Ring, one of the latest fantasy action RPGs. * Highly specialized AI; even monsters that appear in dungeons will be difficult to defeat. * Like a real RPG, you can equip weapons, armor, and magic to customize your character. * World of the Elden Ring features daily and weekly story

"If I'm being honest, I must admit that Tarnished Games' Elden Ring is the biggest reason I'm keeping the Wildlands Alive. Due to the engagement of the world and unique gameplay, I never want to put it down. I'm eager to see what else this developer brings to the table." -IGN, Ed Boon "Tarnished Games' Elden Ring is full of dark magic, fun combat, intriguing character design, wonderful world building, and a gameplay mechanic that offers a new dimension to the world of RPGs." -148Apps, Silver Award "The rulesets are fairly streamlined. The combat is entertaining. The level design and the worldbuilding are beautiful. Elden Ring is a game that I will keep with me in the game library to replay and keep discovering." -TouchArcade, Editor's Choice "Elden Ring is an absolutely amazing game. It puts everything a good RPG should into its gameplay. It has a robust story. It has great RPG characters. It has beautiful graphics. It also has clever game mechanics that make you think that you've never played a fantasy RPG before. If you've never played a fantasy RPG before, you should play Elden Ring." -Pocket Gamer, Game of the Week "Elden Ring is a solid RPG, with huge potential to be the next big hit on PC. It's full of challenge and challenge absolutely requires you to have the right skillset. The only downside of the game is the length which can easily lead to a lack of interest if you're not playing the game for the long-haul." -Gamereactor, 5/5 "Elden Ring is a wonderful, timeless bff6bb2d33

A Louisiana-based developer has completed work on the first project in New York City's West Harlem Park, and says more than 7,000 people have come to see the "tiny boxes" — 1.7 million cubic feet of white cement boxes arranged in parallel and stacked on top of one another — that will eventually be converted to a playground. Why it matters: New York's parks are the city's lifeblood, but many have been neglected or otherwise underutilized. As a result, the city has fewer playgrounds and athletic fields than the number of people who want to use them. This is the first project of its kind, and the first such effort to scale in the city, the nonprofit Bronx Green
