Football is an enduringly popular sport. Played by more than 265 million people worldwide, football's roots can be traced back to the 6th century BC, and by the 16th century it was considered to be the most popular sport in Europe. Football is a fast-paced sport, played between teams of 11 players: 10 on the field, and one in the stands. A long-pitch, 90-minute match is made up of two 45-minute halves with a 15-minute half-time break, followed by another 45-minute half. Football is a global sport; the majority of matches are played outside of Europe, in the US, Australia and South America. The team who scores the most goals at the end of a match wins the game. Experience immersive matches and competitions, tactically-driven leagues, all-new presentation, and most importantly, gameplay that feels even more like football than any previous FIFA title. FIFA delivers the authenticity and fluidity of real football to players everywhere — on any platform, or in more ways than ever before. What does the soundtrack have to offer? Mimicking the style of Bruce Springsteen, as well as the musical genres of vintage sports games like NBA Jam, along with more accessible, modern music, the score features custom vocal clips to honor our long-time partners. It will also be available in-game for everyone, both as a free update for players of FIFA 21 and as a paid DLC for those of FIFA 22. Further Information Additional Content What is Big Box, Motion Master and Total Control? Big Box is a positional, user-driven 2-v-2 gameplay experience, giving you total control over every play from set-piece delivery and goal-kicks to off-the-ball runs and transitions. Motion Master brings an all-new animation system — in-game and in training — which closely mimics the intricacies of real football to bring the movement and emotion of football to life. Total Control allows you to be the agent. What is 1 v 1, and how do I choose my team? 1v1 delivers a football experience that is absolutely pure, unlike the hybridity and evolution of a pure head-to-head match of FUT 18. You're once again given complete control over your team and personal abilities. If you want to battle it out with your friends, you can now play in a ranked or friendly 1v1 FIFA game. How will FIFA 22's new matchmaking work? Players can join matches based on their game mode, or create a party with friends, however they choose. The options are customizable, allowing you to create matches based on your preferences. What is the 60 Plus mode? With the inclusion of some of the world's best footballers, the 60 Plus mode will now feature some of the most difficult goal-scoring situations. Add to that FIFA's most accurate Ball Physics and you're in for a fun, no-frills challenge, with the possibility of a winner's bonus. Can I play online? Yes, you can play online in
