Enjoy the following GTA San Andreas hack, cheats, and unlockables, (code:3vD8vLgMBF66E) a city tearing itself apart with gang trouble, drugs and corruption...A New York man who claims that he has held himself in solitary confinement for more than two decades has been sentenced to 12 months in prison, a year and a day, after he pleaded guilty to charges related to a brutal 1997 assault on a fellow inmate. Jimmy Milan, 46, who is serving a sentence at the Federal Prison Camp in Alderson, W.Va., for his role in the attack, described the experience as "basically hell." The jail, he said in a telephone interview, is a place where inmates are "used as punching bags and used for guinea pigs." "It's horrible," Mr. Milan said, adding that he remained in solitary confinement after the attack because, he said, guards feared the prisoner, who is mentally challenged, would commit suicide. "I've been treated like a lab rat," Mr. Milan said. "They want to get as much out of me as they can." His memories of the attack have been fully corroborated by the findings of a 2006 forensic analysis by the Federal Bureau of Prisons. That report traced the origins of the assault to an earlier incident in which Mr. Milan, then known as William Kelley, was
