We're here to talk about it today. So we talked a little bit about the creative team, and who really makes up the show. There are so many amazing people who help put this show together. They're the actors, the writers, the directors, and even the people who run the company in charge of that. Then there's the fans. The fans... it's an awesome group of people. They have a network called the HOLMES, which stands for Homicidal Overload Multiple Extra Skills. It's like the World's Greatest Internet Community, which is really cool. Because of that, we got the chance to share a little with them about the show. For many of us, the biggest thing about the show is the music. It's just awesome to listen to.
