The Underused: Matchmaking Since we launched daily game play matches, players have been asking us to refine our matchmaking and us to make sure we make it right. We are here to tell you that matchmaking has been one of the biggest challenges ever for us. We've been constantly iterating over game changes and we're really happy with the way it's going at the moment. It's still slow, and there are still small tweaks we'd like to make, but we feel like it's where it needs to be.
