We started the development of the Vorseons game on Kickstarter. It took us 3 years to develop and polish the game. Now that it's finally in your hands, we want you to enjoy it! We're working hard to deliver the quality of the game you deserve. If you have any feedback or suggestions for us, please write to info@vorseons.com. In this new game, you must match and assemble the components of the clock you take out from the box. You have to put the correct elements together so as to make it work. We provide you with a box of parts which you will have to assemble in the right way. Once you have assembled the clock you will be given 12 points. You have to collect all the coins to win the game. How to play Take the first picture of the components and then click on the corresponding logo to turn the corresponding logo on and off. When you have a picture with the logo on, click on it to make it disappear. Then, check the list to find out what you need to assemble, and match the corresponding image or logo. You have 1 minute to make your clock work. Make sure to watch out for the owner of the photo. For the clock that works, you will get 3 points. For the clock that does not work, you will lose 1 point. For the clock that has 4 components, you will get 4 points. For the clock that has 3 components, you will get 3 points. For the clock that has 2 components, you will get 2 points. For the clock that has 1 component, you will get 1 point. For the clock that has 0 components, you will lose 1 point. For the clock that has 5 components, you will get 5 points. For the clock that has 6 components, you will get 6 points. For the clock that has 7 components, you will get 7 points. For the clock that has 8 components, you will get 8 points. For the clock that has 9 components, you will get 9 points. Please, don't cheat, when you are in the middle of the game! Do not spend more than 5 seconds on a photo and do not open a photo when the owner wants to delete it. Help: ♥ To open a photo you need the corresponding logo, remember. ♥ If you don't have the clock, remember that you will lose 1 point if you lose

Beauty Show in NYC WHO: Our Beautiful Earth 2 Beauty Show in NYC! The renowned destination beauty events trade show, expo and education tour is upon us. The shows ran from March 19 through April 2, 2019. Though each show is special, one event looms large: the second edition of OUR BEAUTIFUL EARTH, hosted by host and beauty influencer and MassNUJ Member, Fanele Baloyi. The huge 16-hour conference with 400+ registered attendees, looked at the environment with its eyes on the challenges and opportunities that are coming with the shift to a zero- to negative-carbon system. Future generations will live different lives and the environmental changes our home planet is experiencing will test all of us. **WHAT: THE SHOW:** An event that brings beauty and the beauty industry to the mass, more specifically the beauty industry and beauty influencers. It's an opportunity to rub shoulders with the philanthropists, investors, entrepreneurs, scientists and the beauty movers and shakers. There's networking, and there's speaking about the wonders of the skin, hair and nails the world over; talk about the cosmetics and skincare industry and how to prepare for the coming climate changes. It's an industry that is expected to grow by 5.9% in 2019 to \$726 billion. **PROGRAM:** The very well attended, 16-hour conference will include: Research sessions; Case studies; Q&A sessions; Panel discussions; Women who changed the world; On promoting environment through beauty, emotions and emotions through beauty and Case Studies. It will also includes the Bespoke EAP- Environmental Ambassadors Program and the Bespoke EUA-EU Environmental Ambassadors Program. The BEA Beauty Conclave will also be our signature event, where keynote speakers, panel discussions and talks have been organized for the universe of beauty industry professionals. The most important part is the panel and speakers where we are actually holding brainstorming sessions with beauty influencers, brands, academics, designers, scientists, researchers, patients and parents and patients. Another highlight to look out for is the conference dinner: we will be hosting our first-of-its-kind invitation-only kick-off dinner, where we are celebrating the second edition of OUR BEAUTIFUL EARTH, as well as the beauty, business and environmental community. **THE MOB BUMS:** Environment education is one of the most pressing topics and the beauty industry is hitting the
