LCC Handler With Keygen Download [32|64bit]

LCC Handler Serial Key is a powerful and professional software program to manage Local Cheque Collection activities. It can handle cheque and stub data for bank branch, either weekly,monthly or Daily. LCC Handler Activation Code can handle data for unlimited amount of cheque books (i.e. 10000 cheque book). The serial number, bank account, client information, Payees and the credit memos are entered in the program using the Wizard to easily handle the local cheque collection activities. LCC Handler can help you to prepare the stubs from data entered in Wizard and generate the bank reconciliation report (Single bank/multiple banks). LCC Handler can help you to keep the LCC register (LCC register only or LCC register, LCC books and Reconciliation report). LCC Handler will help you to upload the TTUM file to Finacle in a secure way. LCC Handler can also keep the register of local cheque collections of any bank branch. Another unique feature of LCC Handler is the ability to check the validity of any cheque book and approve / reject its stub. This is a very practical feature to avoid any mis-payment. Features of LCC Handler: A Wizard interface for easy data entry Generate bank reconciliation report Generate LCC register of your account LCC registry is maintained on daily basis LCC registry records are maintained on daily basis Approve / reject any cheque book Detail LCCs of the specified bank branch Bank reconciliation report of the specified bank branch TTUM file preparation to upload to Finacle Note: This software is a licensed software.
