Roblox is an online game platform and game creation system developed by Roblox Corporation that allows users to program games and play games created by other users. Created by David Baszucki and Erik Cassel in 2004 and released in 2006, the platform hosts user-created games of multiple genres coded in the programming language Lua. For most of Roblox's history, it was relatively small, both as a platform and a company. Roblox began to grow rapidly in the second half of the 2010s, and this growth has been accelerated by the COVID-19 pandemic. Roblox's Games: Roblox has created a series of games on its platform, from the popular to the educational to the funny to the creative. First Person Shooters: First Person Shooters are the most popular genre on Roblox. Platformers: Platformers are another popular genre on Roblox. Adventure Games: Another popular genre is adventure games. Roblox Genres: Popular genres are the first person shooter, platformers, adventure games, and fighting games. How to Play Roblox: Roblox is free to play, with in-game purchases available through a virtual currency called Robux. As of August 2020, Roblox had over 164 million monthly active users, including more than half of all American children under 16. Although Roblox has received generally positive reviews from critics, it has faced criticism for its moderation, microtransactions, and exploitative practices directed toward children. Roblox Features: Roblox is a game development platform with several very basic features, such as And so on. How to Make Your Own Roblox Game: There are four main ways to make your own Roblox game. You can make a VR game, a MOBA, a racing game, or a side-scroller. Roblox VR Games: Roblox has a large collection of VR-style games, which can be played in VR headsets like the Oculus Rift and the HTC Vive. A selection of the most popular Roblox VR games are listed below. Super Sprint: A bike racing game where players race against other players online. Roblox PVP Sports: A sports-style simulation game where you're able to play against opponents. Super Dash!: A high-energy action arcade game where players race to complete challenging puzzles.
