London. new code to enable Å pesedit version 2.1.1 to work with version 2013 you said that you will soon to release patch for version 2013 Posted at 05:41PM May 15, 2011 Posted by Å This is how you do it, at this moment:1. Go to The PESEdit â Patchâ, can be downloaded from there directly, but you have to log in.2. The third column is the version number. Your upgrade will be 2.1.1, so in the end, you go to the download column:3. Select the version you want (2.1.1). If you donât know the version of the game you want, first click on â 6d1f23a050
