Ganguro Girl Mod Apk is a dating test game. If you like shiny Sim Girl or Ganguro Girls games, you will definitely see what...it is. No, this is not what you expect. I'm not a Sim Girl fan, but Ganguro Girl is definitely one of the most popular games we've ever seen. This is one of the best dating games I have ever played. You no longer have to look for a guy checker app. You don't have to call a guy or ask a guy out on a date. Ganguro Girl gives you all this right on your phone. Plus, you can even do it yourself! You will never want to go back to Sim Girl. ðŸ˜‰
